

# Summary: Ideology of Pakistan

## ■ Detailed Summary in English

### 1. Concept of Ideology:

- Ideology means a set of ideas or beliefs which guide a group of people.
- Antoine Destutt de Tracy called it 'Science of Ideas'.
- For Pakistan, ideology = Islam as a complete code of life.
- Slogan: 'Pakistan ka matlab kya? La ilaha illallah.'

### 2. Dialectics & Western Views:

- Karl Marx: Ideology is used by the ruling class to protect their interests.
- In society, there is always class struggle → Rich (Bourgeoisie) vs Poor (Proletariat).
- But in Pakistan's case, ideology was based on religion, not class struggle.

### 3. Ideology of Pakistan:

- Based on Two Nation Theory (TNT).
- Muslims are a separate nation because they have different religion, culture, civilization, history, literature, way of life.
- They cannot merge into Hindu society due to Islamic injunctions.

### 4. Aims & Objectives of Pakistan:

- Sovereignty of Allah Almighty.
- Islamic democracy (based on equality, justice, fairness).
- Revival of Muslim identity and culture.
- Protection of Muslim civilization.
- Freedom from Hindu majority.
- Balanced Islamic economic system.

### 5. Two Nation Theory (TNT):

- Stage 1: Muslims considered themselves a separate nation.
- Stage 2: Demanded separate electorates in elections.
- Stage 3: Demanded a separate state (Pakistan).

### 6. Role of Leaders:

- Allama Iqbal: Introduced the idea of a separate homeland, Allahabad Address 1930.
- Chaudhry Rehmat Ali: Coined the word 'Pakistan' in 1933.
- Quaid-e-Azam Jinnah: Practical leadership, demanded sovereignty of Allah, Islamic democracy, unity of Muslims.

### 7. Partition & Aftermath:

- Pakistan created in 1947 on basis of TNT.
- West Pakistan + East Pakistan (later Bangladesh 1971).
- TNT remains foundation of ideology.

### 8. Conclusion:

- Pakistan was not made for land only, but to implement Islamic principles.
- TNT is backbone of ideology of Pakistan.
